Dear Ms. Marconi:

**Re: Ontario Energy Board (OEB) Staff Submission on Confidentiality
Wataynikaneyap Power LP (WPLP)
Application for 2024 Electricity Transmission Rates
OEB File Number: EB-2023-0168**

OEB staff is refileing its submission on WPLP's confidentiality request, previously filed on August 18, 2023. The refiled submission redacts certain information from the public record in response to concerns that have been raised by WPLP.

OEB staff does not agree that the redacted information in its submission should be confidential. In a number of instances, the redacted information simply references other publicly available information to explain why confidential treatment is not appropriate in this circumstance. As part of its decision on WPLP's confidentiality request, the OEB should provide direction as to what (if any) of OEB staff's submission should remain redacted from the public record.

Yours truly,

Michael Price
Senior Advisor, Generation & Transmission
