Ontario Energy Board  
2300 Yonge Street, 27<sup>th</sup> floor  
Toronto, ON M4P 1E4

Dear Ms. Marconi

**Re: EB-2022-0094 – Natural Gas System Access Proceeding**

We are writing on behalf of Canadian Manufacturers & Exporters (“CME”). CME has reviewed the interrogatory responses in this matter, as well as the submissions of the Ontario Petroleum Institute (“OPI”).

CME takes no position on OPI’s motion. It trusts that the Board’s decision will be guided by the OEB’s statutory objectives regarding natural gas, including protecting customers’ interest with respect to the price and reliability of natural gas, as well as its jurisdictional limits as determined in its November 17, 2022, Decision & Procedural Order No. 3.

Yours very truly
