Dear Mr. Brandon Weiss:

**Re: Wasaga Distribution Inc.
Delay in Filing 2024 Cost of Service Application
Ontario Energy Board File Number: EB-2023-0055**

This letter is in response to your letter dated August 29, 2023, informing the Ontario Energy Board (OEB) of a delay in the filing of Wasaga Distribution's 2024 cost of service application from August 31, 2023, to on or before October 31, 2023.

Per the OEB's letter dated [December 1, 2022](#), that provided the schedule for the filing of 2024 cost of service applications, Wasaga Distribution's application was expected to be filed with the OEB by August 31, 2023. While the OEB appreciates the challenges identified by Wasaga Distribution in preparing its application, please be advised that any delays to the filing of Wasaga Distribution's application could affect the timing of the OEB's final decision in this matter.

Any questions regarding this matter should be directed to [Donald Lau](#), Manager, Major Rate Applications and Consolidations.

Yours truly,

Nancy Marconi
Registrar
