Ontario Energy Board File Number: EB-2022-0246**

This letter is in response to your email dated August 16, 2023, filed on behalf of the Municipality of Brockton requesting intervenor status in the above noted proceeding.

Due to a system error, the Municipality of Brockton's intervention request went unnoticed until today. The OEB apologizes for any inconvenience this error may have caused.

EPCOR confirmed it will not object to the Municipality of Brockton's intervention request.

The Municipality of Brockton is approved as an intervenor.

Yours truly,
