Dear Mr. Vetsis:

**Re: Elexicon Energy Inc. (Elexicon Energy)  
Ontario Energy Board File Number: EB-2022-0317  
Errata for July 6, 2023 Final Rate Order**

Schedule A and B to the Final Rate Order issued on July 6, 2023 in this proceeding contained a Tariff of Rates and Charges (referred to below as the Tariff) for each of the Veridian Rate Zone (VRZ) and the Whitby Rate Zone (WRZ), respectively.

In its letter dated September 7, 2023, Elexicon Energy notified the OEB that the final page of the Tariff that includes Retail Service Charges and Loss Factors was missing for the WRZ. Elexicon Energy stated that this page had been inadvertently omitted from the Tariff that was filed as part of Elexicon Energy's draft rate order on June 26, 2023.

Pursuant to its powers under Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions.

The OEB has amended the Final Rate Order to reflect the correct Tariff. The revised Final Rate Order is attached. This revised Final Rate Order supersedes and replaces the previously issued Final Rate Order. The Final Rate Order does not change the OEB's findings, nor any of the dates in the previous Rate Order. The only change

contained in the Final Rate Order is the addition of the final page of the Tariff that includes Retail Service Charges and Loss Factors for the WRZ.

Yours truly,

Nancy Marconi  
Registrar
