Dear Ms. Marconi:

Re: EB-2022-0200 – Enbridge Gas Inc. (EGI) Application for 2024 Cost of Service Rates.

Industrial Gas Users Association (IGUA) Argument: Anticipated late filing.

I write to advise that we will be late in filing IGUA's argument in this case. With apologies to the Commission, this is simply, though regrettably, a function of other demands in the period following conclusion of the oral hearing combined with the complexity and breadth of the issues in this case and the record thereon.

We are making every attempt to expedite completion of, and sign-off on, IGUA's argument so that it can be filed as soon as possible, which we expect and intend will be within the next day or so. Pending that filing, we will not be reviewing the arguments filed by any other party so as not to take any advantage, real or perceived, from this circumstance.

Yours truly,

Ian A. Mondrow
