OEB STAFF SUBMISSION

On August 14, 2023, the OEB issued Procedural Order No. 1 setting out a schedule for the filing of interrogatories, interrogatory responses and for submissions on the need for a technical conference.

As part of their intervention requests, Environmental Defence and the Federation of Rental-housing Providers of Ontario requested a technical conference. The OEB stated that it would make a determination on the requests for a technical conference after the responses to interrogatories were filed.

Interrogatories were filed by OEB staff and intervenors on September 6, 2023 and interrogatory responses were filed by Enbridge Gas Inc. (Enbridge Gas) on September 20, 2023.

OEB staff has reviewed the responses to interrogatories and has no further questions for Enbridge Gas. Therefore, OEB staff will not require further discovery through a technical conference.

All of which is respectfully submitted
