Dear Registrar:

**Re: DeMark Home Ontario Inc.
Application for Gas Marketer Licence
OEB File Number EB-2023-0272**

Thank you for giving me the opportunity to respond to your questions in regards to the subject matter. Please see responses below:

1. Your gas marketer licence, GM-2018-0110, expired on July 18, 2023. On your licence application, you indicated in question 1. (e) that you have not conducted any gas marketing activities after the licence expiry. However, in question 9. (b), you indicated that you are currently providing the service of acting as an agent or a gas marketer with respect to the sale or offering for sale of natural gas to low-volume consumers in Ontario. Please confirm if you have continued to provide, to-date, any of the authorized activities under your expired gas marketer licence, GM-2018-0110, since July 18, 2023. **Response: No, I have not been providing services after the expiration of my license. I understood that question to mean the services I was providing before my license expired.**
2. If the answer to the above (1.) is "Yes," then please elaborate on the unlicensed activity and/or activities being conducted by the applicant, since the expiry of the above licence.
Response: See above
3. If the answer to the above (1.) is "Yes," has the applicant taken steps to inform its customer(s) that it is retailing electricity, without a valid electricity retailer licence, since July 18, 2023?
Response: See above

Sincerely,
