September 26, 2023

DECISION AND ORDER

Highbury Canco Corporation filed an application on September 15, 2023, under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity generation licence EG-2003-0198, which is set to expire on October 30, 2023.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

Highbury Canco Corporation owns and operates one natural gas generation facility located in Leamington, Ontario.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity generation licence to Highbury Canco Corporation.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
