Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File No. EB-2022-0335
Integrated Resource Planning (IRP) Pilot Projects
Interrogatory (IR) Extension Request**

Within its Procedural Order No. 1 dated September 7, 2023, the OEB established a procedural timeline that included the deadline for OEB staff and intervenors to file written interrogatories by October 13, 2023, and the deadline for Enbridge Gas to file written responses to OEB staff and intervenor interrogatories by October 27, 2023.

Due to the timing of the Panhandle Regional Expansion Project ("PREP") Oral Hearing scheduled on October 23, 24 and if necessary, October 27, there is a conflict for some Enbridge Gas witnesses that will be participating in the PREP Oral Hearing as well as providing responses to interrogatories for the IRP Pilot Projects.

Given this conflict, the Company is requesting a one week extension for interrogatories to be filed and for Enbridge Gas to provide responses to interrogatories. Enbridge Gas requests that the procedural timeline be amended such that OEB staff and intervenors submit written interrogatories by October 20, 2023 and the deadline for Enbridge Gas to file responses to be extended to November 3, 2023.

If you have any questions, please contact the undersigned.

Sincerely,

Brittany Calhoun
