Dear Mr. Hesselink:

**Re: EPCOR Electricity Distribution Ontario Inc. (EEDO)
2023 Cost of Service Rate Application
Ontario Energy Board File Number: EB-2022-0028**

The Ontario Energy Board (OEB) issued a Decision and Rate Order with the approved 2023 Tariff of Rates and Charges in the above-noted proceeding on September 26, 2023. On September 27, 2023, EEDO informed OEB staff about a typographical error in one rate rider name in the Tariff of Rates and Charges.

Pursuant to Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB is reissuing the Decision and Rate Order with the error corrected in the Tariff of Rates and Charges.

The correction can be found on page 4 of the Tariff of Rates and Charges (Schedule A of the attached Decision and Rate Order). The name of the first-listed rate rider on this page now reads:

Rate Rider for Disposition of Lost Revenue Adjustment Mechanism Variance Account (LRAMVA) (2023) - effective until September 30, 2025

The originally-issued tariff schedule had the following incorrect rate rider name:

Rate Rider for Disposition of Account 1589 Global Adjustment (2023) - effective until September 30, 2025 Applicable only for Non-RPP Class B Customers

The corrected version of the Tariff of Rates and Charges is included as Schedule A of the Decision and Rate Order attached to this letter and supersedes the originally-issued tariff schedule included in the Decision and Rate Order issued on September 26, 2023.

Yours truly,

Nancy Marconi
Registrar
