North York, ON M1K 5E3
Canada

VIA EMAIL and RESS

October 3, 2023

Nancy Marconi
Registrar
Ontario Energy Board
2300 Yonge Street, Suite 2700
Toronto, Ontario, M4P 1E4

Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (“Enbridge Gas” or the “Company”)
Ontario Energy Board (“OEB”) File No. EB-2022-0157
Panhandle Regional Expansion Project (“Project”)
Interrogatory Responses**

Consistent with the OEB’s Procedural Order No. 7, enclosed please find Enbridge Gas’s interrogatory responses.

In accordance with the OEB’s *Practice Direction on Confidential Filings*, Enbridge Gas has redacted confidential information from the following exhibits. Details of the specific information and reasons for confidential treatment are set out below:

Exhibit	Confidential Information Location	Presumed Confidential	Basis for Claim	Rationale
Exhibit I.STAFF.25, Attachment 1	Attachment 1	No	Disclosure could prejudice the competitive positions of third parties.	The information consists of the names of customers to which specific comments are attributed regarding customer specific CIAC’s for transmission assets. The customers provided the comments without expecting their comments would become publicly attributed to them. Moreover, disclosure of their individual views on CIAC’s is competitively sensitive as a number of the listed customers are competitors and the comments relate to their views on investment decisions.
Exhibit I.ED.26	Part (b), page 3 of 4	Yes	Information disclosing demand forecast for specific customer Commercially sensitive information, disclosure	This information consists of customer-specific, commercially sensitive, third-party information that reveals the nature and timing of third-party investment decisions. More particularly, the

Exhibit	Confidential Information Location	Presumed Confidential	Basis for Claim	Rationale
			<p>of which would prejudice the competitive position of a third party</p> <p>Information is of a type previously held to be confidential by the OEB</p>	<p>information concerns the timing and volume of incremental demand attributable to an individual customer, NextStar Energy. As further explained in the interrogatory response, additional information requires redaction to prevent the ability to back-calculate the information regarding the individual customer.</p> <p>The OEB considered and approved the confidential treatment of equivalent information in its December 1, 2022 decision on a motion by the Company in the current proceeding.</p>
Exhibit I.PP.32, Attachment 1	Pages 2-4, 6-8 of 8	Yes (in part)	<p>Information discloses energy usage of a specific customer.</p> <p>Commercially sensitive information, including of a financial and commercial nature, consistently treated by the Company and the third-party confidentially, the disclosure of which would prejudice the competitive position of the third party.</p>	The information consists of the non-standard elements of the contract with the specific customer.
Exhibit I.PP.36, Attachment 1	Page 4 of 6	Yes	The redactions relate to information that is commercially sensitive and considered to be Presumptively Confidential. Enbridge Gas has consistently treated this type of information as confidential. Disclosure of this information could prejudice competitive positions and/or interfere with ongoing or future negotiations.	The information consists of Posterity Group's pricing information to perform services requested by Enbridge Gas for the Project.

Unredacted, confidential copies of the interrogatory responses will be sent separately via email to the OEB.

Consistent with the Practice Direction, it is the Company's expectation that access to confidential information in this proceeding will only be available to representatives of parties that file Declarations and Undertakings in the prescribed form.

Also, please note an Excel version of the following exhibits have been included with this submission.

- Exhibit I.SEC.6, Attachment 1
- Exhibit I.SEC.6, Attachment 2
- Exhibit I.SEC.6, Attachment 3
- Exhibit I.SEC.6, Attachment 4

The above noted submission has been filed electronically through the OEB's RESS and will be made available on Enbridge Gas's website.

If you have any questions, please contact the undersigned.

Sincerely,

Haris Ginis
