**RE: Enbridge Gas Inc.
Application for Leave to Construct Panhandle Regional Expansion Project
Presentations in Oral Hearing**

Enbridge Gas has proposed providing a 20 minute presentation on the Panhandle system and the Project to begin the hearing. The OEB is of the view that this would be helpful.

Following this presentation, the OEB also wants each intervenor to provide a five minute opening statement presenting its position on the application, as set out in Procedural Order 7.

Yours truly,

Nancy Marconi
