Issues:

The PWU recognizes that the issues in this application appear to be relatively technical and formulaic. It intends to participate in the proceeding in a relatively limited capacity, primarily with a view to ensuring that the inputs used in the applicable formulas are calculated

appropriately and in a manner that will not jeopardize the utility's ongoing ability to ensure the safe and reliable operation of the relevant facilities.

Policy Interests:

Not applicable.

Hearings:

No position.

Evidence:

The PWU expects to participate in interrogatories but not to file evidence of its own.

Coordination with Other Intervenors:

The PWU and its representatives will draw on their long history of participation in OEB proceedings, as well as their established working relationships with representatives of the other frequent intervenors, to coordinate its intervention in an efficient manner.

In particular, the PWU has a track record of working closely with representatives of the Society of Unionized Professionals to coordinate the parties' respective participation in OEB proceedings.
