Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (“Enbridge Gas”)  
Ontario Energy Board File No. EB-2022-0157  
Panhandle Regional Expansion Project  
Response to Environmental Defence (“ED”) Correspondence**

---

This letter is in response to ED’s October 12, 2023 correspondence in which ED advised that it intends to update the evidence of Dr. McDiarmid by Friday October 20, 2023.

It is not clear from ED’s letter as to the full extent of its update. It is not fair or reasonable for ED to file an update to its evidence on the last business day prior to the hearing, leaving Enbridge Gas limited opportunity to review and understand the update and without the opportunity to update its reply evidence, if required, in advance of commencing testimony on Monday October 23, 2023.

As a result, Enbridge Gas requests that ED be required to file any update by Wednesday October 18, 2023.

If you have any questions, please contact the undersigned.

Sincerely,

Haris Ginis  
Technical Manager, Leave to Construct Applications
