Dear Mr. Elson:

**RE: Enbridge Gas Inc.
Application for Leave to Construct Panhandle Regional Expansion
Project Environmental Defence's Update to the Intervenor Evidence and
Participation in Oral Hearing
Ontario Energy Board (OEB) File Number: EB-2022-0157**

Environmental Defence proposed to update its intervenor evidence in this proceeding. The OEB is of the view that this is appropriate. To ensure that parties have sufficient time to review the evidence update, the OEB requires it to be filed by October 18, 2023.

The OEB believes that Dr. McDiarmid's attendance at the oral hearing, including a brief presentation of the key conclusions of Dr. McDiarmid's evidence, would be helpful.

Yours truly,

Nancy Marconi
Registrar
