

Intervention Form

Case Number:

EB-2023-0198

Intervenor Name:

Ontario Power Generation Inc.

Mandate and Objectives:

Ontario Power Generation (OPG) is an electricity generation company whose principal business is the generation and sale of electricity. As the province's largest electricity producer, OPG is focused on the effective stewardship of generation assets owned by the people of Ontario.

Membership of the Intervenor and Constituency

Represented:

Ontario Power Generation Inc. (EG-2023-0231)

Programs or Activities Carried Out by the Intervenor:

OPG owns and operates both regulated and unregulated generation facilities. OPG's generation facilities in Ontario includes two nuclear generating stations and 66 hydroelectric generating stations with a total generation capacity of over 12,000 MW.

Governance Structure:

The intervenor representatives are directly employed by OPG and will represent OPG's interests in this proceeding.
