Dear Evan Tomek:

**Re: Request for an extension to Serve Notice  
Enbridge Gas Inc. - Neustadt Community Expansion Project  
Ontario Energy Board File Number: EB-2023-0261**

This letter is in response to Enbridge Gas's letter dated October 12, 2023, requesting an extension to the due date for the filing of an affidavit relating to the service of the Notice of Application (Notice) for this proceeding from October 30, 2023, to November 6, 2023. In its letter, Enbridge Gas cited printing and delivery limitations as the reason the extension is needed.

The OEB issued a Notice and Letter of Direction to Enbridge Gas on October 10, 2023. The Letter of Direction required Enbridge Gas to arrange for the service of the Notice and the application and the evidence directly on a specified list of recipients by October 30, 2023. The Letter of Direction required Enbridge Gas to file an affidavit proving the completion of service on the same date.

The OEB approves Enbridge Gas's request for an extension and sets a new deadline of November 6, 2023, as the due date for the filing of an affidavit relating to the service of the Notice of Application (Notice) for this proceeding.

The OEB is also issuing a revised Notice for Enbridge Gas's application for the Neustadt Community Expansion Project, which contains an updated deadline for intervention requests of November 9, 2023. Enbridge should use the attached revised Notice for service and publishing.

Yours truly,

Nancy Marconi  
Registrar
