(Street Address, City, Town, Postal Code)

Comments: * Please continue on back of form if necessary. In making your comment, please consider telling us what you like and do not like about the application, what you think could be improved or what you think is missing.

I would like to see Hydro develop a plan to improve productivity enough to more than offset the proposed increase, estimated at 1.2 m customers \times \$2/month \times 12 \approx \$29m/yr. Proposed productivity increases of \$75m/yr. Target \$105m/yr to offset proposed increase.

Note: I used \$2/month for average customer but Hydro did not disclose their average customer consumption.

PRIVACY

By signing and giving this document to the Ontario Energy Board, you agree that your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public.

I have read the Ontario Energy Board's privacy information and understand that my name and my comment will be on the public record.
