I am a widow. My husband died 2 years ago,
With him he took his pensions. I live in the
dark, have all items that have a light on
unplugged including my stove, seldom watch T.V
or have a radio on. Jan 2016 bill was
\$492.00, this month bill was \$284.00
I use solar lights & candles. I conserve
and then conserve more.

- Hydro One needs to clean house &
reduce their expenses to cover any
expenses for repairs etc-
