Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (“Enbridge Gas” or the “Company”)
Ontario Energy Board (“OEB”) File No. EB-2022-0157
Panhandle Regional Expansion Project
Compiled Interrogatory and Undertaking Responses**

To support the OEB and parties throughout the oral hearing and argument phase of the proceeding, enclosed please find Enbridge Gas’s compiled interrogatory and undertaking responses in a single document. The document includes:

- Enbridge Gas’s interrogatory responses regarding its initial application, including responses updated by the Company to reflect its amended application;
- Enbridge Gas’s technical conference undertaking responses regarding its initial application, including responses updated by the Company to reflect its amended application; and,
- Enbridge Gas’s interrogatory responses regarding its amended application.

Please note, as per Enbridge Gas’s correspondence dated August 25, 2023, the following interrogatory responses are no longer applicable as a result of the Company’s amended application:¹

- Exhibit I.STAFF.1
- Exhibit I.STAFF.5
- Exhibit I.STAFF.11
- Exhibit I.STAFF.12
- Exhibit I.STAFF.13
- Exhibit I.STAFF.14
- Exhibit I.FRPO.1

¹ The responses to Exhibit I.PP.3, Exhibit JT2.3 and Exhibit JT2.7 were initially identified by Enbridge Gas within its August 25, 2023 correspondence as no longer applicable as a result of the Company’s amended application; however, updated responses were filed by the Company on October 3, 2023 on a best efforts basis at the request of parties.

- Exhibit I.FRPO.5
- Exhibit I.PP.9
- Exhibit I.TFG.15

Please note, following the filing of Enbridge Gas's interrogatory responses on October 3, 2023, the Company noticed that two interrogatory requests were provided to the Company under the label "OGVG-4" (one provided by OGVG on September 1, 2022 regarding the Company's initial application and the other provided by OGVG on September 11, 2023 regarding the Company's amended application). As a result, Enbridge Gas inadvertently filed two interrogatory responses under the label Exhibit I.OGVG.4. Within the enclosed compiled document, these responses have been delineated as Exhibit I.OGVG.4_2022 and Exhibit I.OGVG.4_2023.

If you have any questions, please contact the undersigned.

Sincerely,

Haris Ginis
