DECISION AND ORDER

EB-2023-0245

GOLDEN HORSESHOE METERING SYSTEMS INC.

Application for a Unit Sub-Metering Licence

BY DELEGATION, BEFORE: **Brian Hewson**
Vice President
Consumer Protection & Industry Performance

October 24, 2023

Decision and Order

Golden Horseshoe Metering Systems Inc. (Golden Horseshoe) filed a complete application on September 12, 2023 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) to renew a unit sub-metering licence. The licence would allow the applicant to continue providing unit sub-metering services in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

The applicant was previously licensed by the OEB as a unit sub-meter provider, however its licence expired on August 1, 2023. Golden Horseshoe acknowledged that it had been providing unit sub-metering services without a licence since August 1, 2023.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the unit sub-metering licence to Golden Horseshoe. The OEB notes the application was filed by the applicant 10 days after the expiration of the existing licence. Applicants are reminded of the importance to apply for renewal of any licence sufficiently prior to the expiry date to allow for processing of the application. The granting of this licence is without prejudice to any future compliance action regarding Golden Horseshoe's operating without a licence.

IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, October 24, 2023
