Hydro One Networks Inc. has applied for Renewable Generation Connection Rate Protection Compensation Amounts

Hydro One Networks Inc. has applied for the following approvals effective January 1, 2024:

- Collect a one-time payment of \$8,697,477 and \$130,800 for renewable generation connection investments made prior to January 1, 2024 that are not funded through the balance accrued in Account 1533 for Hydro One Distribution and the Peterborough rate zone respectively
- Collect provincial Renewable Generation Connection Rate Protection (RGCRP) compensation amounts monthly for 2024 to 2027 for Hydro One Distribution
- Amend the RGCRP compensation amounts from provincial electricity consumers monthly for 2024 to 2027 for the Peterborough rate zone
- Correct Hydro One Distribution's historic cost allocations between different customers (i.e. Hydro One Distribution and provincial ratepayers)

Other customers, including businesses, will also be affected. It's important to review the application carefully to determine whether you may be affected by the proposed changes.

The OEB will hold a public hearing. Contact the OEB about the application and how to participate.
