Dear Mr. Thompson:

**Re: Additional Cost Claim on Behalf of Canadian Manufacturers and Exporters  
related to the AMPCO Motion to review the Board's Decision on Oshawa PUC  
distribution rates (EB-2008-0099)**

The Board has received your letter of September 5, 2008 concerning a request for an additional cost claim of \$144.14 to reflect the GST, which was not included as part of the original claim made by the Canadian Manufacturers and Exporters in the proceeding notes above.

Following its established cost awards process, the Board issued its Decision and Order on Cost Awards on September 2, 2008. The cost awards included the amount of \$2,882.75 to the Canadian Manufacturers and Exporters. The Board considers the process closed and the costs awards process does not provide for the Board direction requested in your letter. Accordingly, the request for the additional costs is denied.

Yours truly,
