## Decision and Order

Metergy Solutions Inc. (Metergy Solutions) filed a complete application on August 14, 2023, with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) to renew a unit sub-metering licence. The licence would allow the applicant to continue providing unit sub-metering services in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the unit sub-metering licence to Metergy Solutions Inc.

### IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.
