RE: Enbridge Gas Inc.

**Application for Leave to Construct Panhandle Regional Expansion Project
Federation of Rental-housing Providers of Ontario (FRPO) Request for
Responses to Interrogatories and Supplemental Evidence**

On November 4, 2023, FRPO filed a letter asking that Enbridge Gas Inc. (Enbridge Gas) provide additional information in response to interrogatory I.FRPO.29. More specifically, FRPO requested that Enbridge Gas provide the summer simulation of system demand including a schematic with all pressures, flows and assumptions included. FRPO also asked for clarification of Enbridge Gas's responses to interrogatories I.FRPO.4, I.FRPO.5 and I.FRPO.18 related to difference in demand forecast and project design. FRPO asked that this additional information be filed no later than November 9, 2023 prior to the start of the hybrid hearing scheduled for November 13, 2023.

The Ontario Energy Board (OEB) reviewed FRPO's request, the related correspondence from the Association of Power Producers of Ontario dated November 5, 2023, FRPO's submission dated November 6, 2023 and Enbridge Gas's response dated November 7, 2023. The OEB finds that FRPO can address and clarify these issues in the hearing through cross examination of Enbridge Gas's witnesses with the option to ask for undertakings.

Yours truly,

Nancy Marconi
