RE: Your File No. EB-2007-0745

Dear Madam:

The Township of Champlain is in receipt of the Notice of Application by Enbridge Gas Distribution Inc. for the purpose of constructing a natural gas distribution pipeline and related facilities and more particularly in the Township of Champlain for the geographic area known as L'Orignal.

I wish to advise that the Township Municipal Council, at its meeting of May 14th, 2008, adopted a resolution endorsing this application before the Ontario Energy Board.

The residents of this area are extremely anxious that this construction be completed immediately in order that the distribution gas line can be in service prior to the upcoming winter season.

Trusting that this application will receive favourable consideration by the Board, I remain

Yours sincerely,

Gary J. Barton,
Mayor.
