Dear Kirsten Walli,  
Subject: Intervenor Status seeking Costs

My farm is located on one the proposed reroutes, Brockton/Hanover/West Grey Refinement Area, Alt. 1. If this is the chosen reroute I am interested in being involved in the proceedings as this will directly affect my cropping and managed hardwood woodlot operations on my property. I have requested costs as I am unsure of the time commitments and expenses of such a venture.

Sincerely yours,  
Paul Garvey
