Dear Ms. Walli:

Re: One Milton Trust Inc.
Board File Number: EB-2007-0050

On behalf of my client, One Milton Trust Inc., the owner of the property municipally known as 8677 Esquesing Line, Milton, Ontario, I hereby file a Notice of Intervention status in the above-referenced proceedings.

One Milton Trust Inc. is a trustee, holding title to the property for twenty different corporations, who each have a percentage share in One Milton Trust Inc., as co-tenants.

It appears that from the correspondence received from Hydro One Networks Inc., the proposed actions to be taken are likely to have adverse affects on the ownership rights of our client, including the mortgage registered on title to the property. The full extent of the affects is not predictable at present. Therefore, I hereby request that One Milton Trust Inc. is given an Intervenor Status.

My client would ask for the costs from the applicant for the reasons mentioned above and for having to spend time and money in participation in the proceedings.

Should you require any further information, please do let me know.

Yours very truly,

Yadvinder S. Toor
