Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)**  
**Ontario Energy Board (OEB) File: EB-2023-0261**  
**Neustadt Community Expansion Project**  
**OEB Notice of Hearing (Notice)**

---

On October 10, 2023, the OEB issued the Notice and the Letter of Direction (LOD) for the above noted proceeding. The LOD directed Enbridge Gas to provide service of the Notice to current registered property owners and encumbrancers with lands or interest in the lands directly affected by the proposed pipeline and related facilities.

Enbridge Gas would like to notify the OEB that there was one directly affected landowner that did not receive service prior to the submission of the Affidavit of Service with the OEB on November 6, 2023. UPS was unable to deliver the package as there had been an address change. Enbridge Gas has received the updated address and can confirm that service was completed on November 15, 2023.

If you have any questions, please contact the undersigned.

Sincerely,

Evan Tomek
