Dear Mr. McMahon:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Application for the Renewal of a Municipal Franchise with, and a new
Certificate of Public Convenience and Necessity for, the Municipality of
Mattawan
Extension to Deadline in Letter of Direction
Ontario Energy Board File Number: EB-2023-0324**

This letter is in response to Enbridge Gas's email dated November 20, 2023, requesting an extension to the due date to comply with the directions in paragraphs 1 and 2 of the Letter of Direction for the above-mentioned proceeding, from November 21, 2023, to November 24, 2023. In its email, Enbridge Gas cited printing and delivery limitations as the reason the extension is needed.

The OEB issued a Notice of Application (Notice) and Letter of Direction to Enbridge Gas on November 17, 2023. The Letter of Direction required Enbridge Gas to arrange for the service of the Notice and the application and the evidence directly on a specified list of recipients by November 21, 2023. The Letter of Direction also required Enbridge Gas to file an affidavit proving the completion of service, by the same date. The OEB approves Enbridge Gas's request for an extension and sets a new deadline. **November 24, 2023**, shall be the due date for complying with the directions in the Letter of Direction for this proceeding.

Please note that there is a revision to the deadline set out in the Notice for interested persons to engage with the OEB. Please find attached an updated Notice.

Yours truly,

Nancy Marconi
