NOTICE OF INTERVENTION

OF

VULNERABLE ENERGY CONSUMERS COALITION (VECC)

To: Ms. Kirsten Walli
Board Secretary

And to: Canadian Niagara Power Inc. – Port Colborne
Attn: Mr. Douglas Bradbury

1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
 - (a) The Federation of Metro Tenants Association
 - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street
Toronto, ON
M5B 1L2

3. The Ontario Coalition of Senior Citizens' Organizations (OCSCO) is a coalition of over 120 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO's mission is to improve the quality of life for Ontario's seniors. OCSCO's address is:

660 Briar Hill Avenue, Suite 207
Toronto, ON
M6B 4B7

4. The name and address of the agent authorized to receive documents on behalf of VECC is:

6. VECC requests that copies of the Application and any additional supporting materials be forwarded to each of the two parties named above.
7. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity are fully represented in the determination of just and reasonable rates for 2009. Areas of the current Application of interest to VECC include; a) the proposed distribution revenue increase of 27%; b) the proposed new DS for 2009; b) the load forecast methodology; and c) the allocation of costs to customer classes.
8. VECC strongly supports the Board's proposal to include an "oral component" as part of the review process. In VECC's view the actual form of this component (technical conference versus oral hearing) is best

determined after the interrogatory phase of the process has been completed.

9. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its Practice Direction on Cost Awards (Section 3.03).

DATED AT TORONTO, THIS 18th DAY OF SEPTEMBER 2008
