Dear Nancy:

RE: EB-2023-0198 Request for Extension of Time to File and Serve Written Interrogatories

The Métis Nation of Ontario ("MNO") were granted intervenor status in the above-noted application and, by way of Procedural Order No. 1, were ordered to file and serve written interrogatories by November 28, 2023.

MNO is kindly requesting an extension of two weeks, to December 12, 2023, to complete its written interrogatories. MNO requires this extension to thoroughly review the evidence already filed by Hydro One and draft our request for additional information accordingly.

Thank you for your consideration.
