Dear Ms. Marconi,

Re: EB-2023-0243 (Transfer of Kashechewan Distribution System from KFN to KPC)

On August 4, 2023 Kashechewan First Nation (“KFN”) and Kashechewan Power Corporation (“KPC”) wrote to the Ontario Energy Board (“OEB”) to request an order from the OEB:

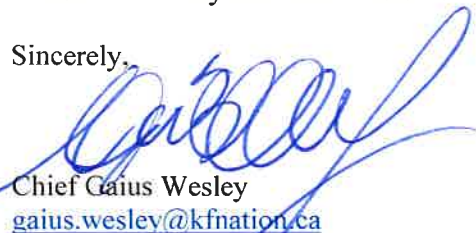

- (i) granting leave for KFN to transfer ownership of the Kashechewan Distribution System in its entirety to KPC;
- (ii) cancelling KFN’s electricity distribution licence (ED-2003-0080); and,
- (iii) renewing KPC’s electricity distribution licence (ED-2003-0081) which will expire on June 2, 2024.

KFN and KPC now wish to rescind their prior request for an order as described above and, for the reasons described in the August 4th letter, request an order from the OEB:

- (i) granting leave for KFN to transfer ownership of the Kashechewan Distribution System in its entirety to KPC;
- (ii) cancelling KFN’s electricity distribution licence (ED-2003-0080); and,
- (iii) amending KPC’s electricity distribution licence (ED-2003-0081) by adding “own and” after “to” in Section 3.1(a).

Please find a fully executed version of the asset transfer agreement between KFN and KPC attached.

Sincerely,

Chief Gaius Wesley
