Issues:

SEC is materially impacted by the application as its members are customers of the Applicant. SEC has an interest in all issues included in the standard issues list for cost-based applications, as well as the 2026-2029 rate framework, and the underlying costs and revenue forecasts.

Policy Interests:

N/A

Hearings:

SEC believes that due to the magnitude and complexity of the application, it would be appropriate for most issues to be dealt with by way of an oral hearing.

Evidence:

SEC reserves the right to file evidence in this proceeding. At this time, SEC is still reviewing the application to assess if filing evidence may be necessary.

Coordination with Other Intervenors:

SEC will coordinate with other intervenors with similar interests, where appropriate, to promote responsible participation in the proceeding.

Cost Awards:

SEC applies for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC's members are customers of the Applicant and eligible for an award of costs pursuant to section 3.03(a) of the Practice Direction. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Language Preference:
