Dear Ms. Marconi,

**Re: ENWIN Utilities Ltd.
2024 IRM Rate Application, EB-2023-0017
Draft Decision and Rate Order Comments**

On November 30, 2023, the Ontario Energy Board (“OEB”) issued a draft of the Decision and Rate Order for ENWIN Utilities Ltd.’s (“ENWIN”) 2024 IRM Rate Application along with an updated 2024 IRM Rate Generator Model.

The OEB requested that ENWIN review the draft Decision and accompanying Rate Order and provide comments within seven days.

ENWIN has the following minor comments based on its review of the draft Decision and Rate Order:

- On p.8, footnote 13 should refer to the 2024 IRM Rate Generator Model, rather than the 2023 IRM Rate Generator Model
- On p.10, footnote 18 should refer to Chapter 3 Filing Requirements, section 3.2.7.1, rather than section 3.2.6.1

Should you have any questions, please do not hesitate to contact the undersigned.

Yours very truly,
