Dear Nancy Marconi:

**Re: Mohawks of the Bay of Quinte and Shannonville
Community Expansion Project (“MBQ Project”) (EB-2022-0248)
Environmental Defence (“ED”) Motion to Review (EB-2023-0313)**

Enbridge Gas is in receipt of the Ontario Energy Board’s (OEB) letter of December 8, 2023, confirming the withdrawal of the ED Motion to Review as it relates to the MBQ Project. The letter indicates that the OEB expects Enbridge Gas to resume construction of the MBQ Project expeditiously.

Enbridge Gas hereby notifies the OEB that it has restarted construction on the MBQ Project effective today (December 12, 2023), noting that it may take a few days to fully re-mobilize crews and equipment.

Should you have any questions, please let us know.

Sincerely,
