Re: Motion to review decisions in EB-2022-0156

Please be advised that at its meeting held the 12<sup>th</sup> day of December, 2023 the Council of the Township of Selwyn passed the following Resolution:

**Resolution No. 2023 – 273 – Enbridge - Natural Gas Expansion Project**

Councillor Brian Henry – Deputy Mayor Ron Black –

That the correspondence from Donna Popovic of Enbridge Gas related to the natural gas expansion project in Selwyn Township be received for information; and

That the Township of Selwyn send correspondence to the Ministry of Energy and the Ontario Energy Board urging a timely resolution and recommencement with respect to the County Road 18 project in support of the many local residents and businesses who have been financially impacted by this project and are relying on the provision of services.

Mayor Sherry Senis – yes  
Deputy Mayor Ron Black – yes  
Councillor John Boyko – yes  
Councillor Mary Coulas – no  
Councillor Brian Henry – yes

Carried.

The objective of the Natural Gas Expansion Program (NGEP), is to help lower the cost of energy for families, businesses and farmers and provide them with customer choice. The Selwyn project was selected by the Ministry of Energy, along with 25 other expansion projects, to receive NGEP funding on June 15, 2021. The Selwyn project was granted leave to construct in 2023 and significant investments have been made by Enbridge Gas and the community based on this leave to construct. Every month that passes represents lost savings and a lack of choice for Ontario families and businesses. We urge the OEB to resolve this matter as soon as possible.

Sincerely,

Mayor, Township of Selwyn

c.c. Minister of Energy  
MPP Dave Smith  
County of Peterborough  
Enbridge Gas
