Dear Ms. Marconi:

**Re: Enbridge Gas Inc. 2024 to 2028 Rates Application
EB-2022-0200**

I am writing to provide the OEB with the attached decision of the Massachusetts Department of Utilities in its future of gas proceeding. We first became aware of this decision today and we believe it may be of interest to the OEB panel hearing this matter as the Massachusetts proceeding was referenced in a variety of evidence before the OEB.

Although we are cognizant of the fact that the evidence and argument stages of this proceeding have passed, it is not uncommon for decision-makers to receive and consider late-breaking decisions during that period. However, we are not making any submissions on this decision. We are merely bringing it to the OEB's attention on the assumption that the OEB may wish to be aware of it.

Yours truly,

Kent Elson
