Re: EB-2008-0106 – July 1, 2008 QRAM Application

Dear Ms. Walli:

On June 6, 2008 Union filed its July 1, 2008 QRAM application. The application included proposed rate schedules to be effective July 1.

The T1 rate schedule included in the QRAM application was revised from the rate schedule approved in the April 1, 2008 QRAM proceeding (EB-2008-0033). In accordance with the storage allocation decision (EB-2007-0725) Union removed the sentence “Storage and withdrawal rights are for the exclusive purpose of meeting the requirements of the specific locations included in each contract.” From the T1 rate schedule. Union assumed the T1 rate schedule would be approved prior to approval of the QRAM application.

On June 13, 2008 Board Staff requested Union to re-file the T1 rate schedule, including the sentence noted above. The revised T1 rate schedule is attached and is intended to replace the T1 rate schedule submitted in the original application.

Should you have any questions please contact me.

Yours truly,
