Attention: Registrar
Regarding: EB-2023-0047 – Ottawa River Power Corporation 2024 Incentive Rate-Setting Mechanism Application Affidavit of Service and Evidence

Dear Registrar,

Ottawa River Power Corporation submitted an Affidavit of Service on December 1, 2023 as instructed in the Letter of Direction issued by the OEB on November 30, 2023. The letter instructed ORPC to file an affidavit proving completion of the matters in paragraphs 1 and 2 immediately thereafter. On December 20, 2023, ORPC received an e-mail communication from its case manager indicating that the affidavit filed did not include any evidence to prove that the service was completed in accordance with the OEB's Letter of Direction.

ORPC did not file evidence with the affidavit as the Letter of Direction did not clearly or explicitly state that evidence was required to be provided. ORPC requests that the OEB modify its Letters of Direction going forward to clearly establish its expectations.

Please find below the affidavit of service with the requested evidence. We would be pleased to discuss the details further relative to this additional submission.
