## **Issues:**

As the union representing a large portion of the applicant's employees, the PWU is materially affected by the issues raised in this application. The PWU's concern is with the financial viability of the utilities, and whether the proposed rates and charges will permit the utilities to undertake the work necessary to ensure the safe and reliable operation of the facilities used to

serve the affected customers. The PWU has an interest in all the usual issues in standard cost-based applications.

### **Policy Interests:**

### **Hearings:**

PWU expects that an oral hearing will be appropriate in light of the complexity and scale of the proceeding.

### **Evidence:**

PWU is not able to answer this question at this time.

### **Coordination with Other Intervenors:**

The PWU and its representatives will draw on their long history of participation in OEB proceedings, as well as their established working relationships with representatives of the other frequent intervenors, to coordinate its intervention in an efficient manner.

### **Cost Awards:**

PWU is not seeking costs.
