**Re: West Perth 2009 Rebasing Rate Application**

West Perth Power was identified as a 2009 rebasing LDC and was requested to complete a forward test year rate application for rates effective May 1, 2009.

This letter is to inform you that we will not be filing a rate application by Aug. 15, 2008 as requested for a completed review by May 1, 2009.

West Perth is striving to complete and file an application with the OEB by the end of October 2008. We do realize that this has the potential to delay our rate approval; however, it is in everyone's best interest to ensure the most complete application possible.

If you have any questions or concerns, please contact me directly.

Sincerely,

Wally Curry  
President and CEO, West Perth Power Inc.
