Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File No. EB-2022-0335
Integrated Resource Planning (IRP) Pilot Projects
Request for Abeyance**

Within Procedural Order No. 3 dated November 17, 2023, the OEB established that the IRP Pilot Projects proceeding would be in abeyance effective November 10, 2023, pending the filing of Enbridge Gas's updated evidence. On December 21, 2023, Enbridge Gas filed its updated evidence.

The Company is now requesting that the OEB continue to hold the proceeding in abeyance to allow time for Enbridge Gas to assess the impacts (if any) to the above noted application and evidence arising from the recent Decision and Order on Enbridge Gas's Application for 2024 Rates – Phase 1 (EB-2022-0200) and will provide an update on the status of its assessment by the end of February.

If you have any questions, please contact the undersigned.

Sincerely,

Brittany Calhoun
