Attn: Nancy Marconi, Registrar

Dear Ms. Marconi:

Re: EB-2023-0033 – InnPower 2024 Rates – Cost Claim

We are counsel to the School Energy Coalition (“SEC”). Attached, please find SEC’s cost claim using the OEB’s cost claim system.

This proceeding involved a full settlement reached after a three-day settlement conference. SEC divided up responsibility amongst its consultant Jane Scott and counsel Mark Rubenstein. Ms. Scott had primary responsibility of reviewing the application and the written discovery process. Mr. Rubenstein had responsibility for discovery related to the proposed BATU Deferral Account, settlement conference negotiations and proposal drafting, and intervention management.

The undersigned acted as spokesman and coordinator amongst the two intervenors during the settlement process. As shown in the detailed dockets, preparation time was required in the evenings of the settlement conference period, as well as time and coordinating and consolidating comments amongst intervenors and OEB Staff on the draft settlement proposal. Additionally, the settlement proposal drafting process involved more time than usual and involved several meetings of all parties and OEB Staff.

We have claimed attendance time by Ms. Scott on the first day of the settlement conference. While SEC is limited regarding what it can say, we can assure the OEB that this time was necessary and primarily involved issues relating to responses to clarification questions and related issues for which Ms. Scott attendance was required because of her areas of responsibility.

For purposes of cost claim categorization, where dockets include both reviewing evidence and preparing interrogatories, or reviewing interrogatory responses and preparing for the Settlement Conference, we have allocated 50% to each specific category activity. As a practical matter, each set of activities are done at the same time and so cannot be readily extricable (e.g. we are preparing IRs as we review the evidence). We have also included time under the ‘Other Attendance’ category for activities related to preparation and attendance at the pre-filing meeting as well as other matters that do not fall under any other category (i.e. reviewing procedural orders, and Staff submissions).

SEC submits that its participation in this proceeding was thorough and valuable and was designed to maximize its assistance to the OEB in this challenging matter. SEC therefore requests reimbursement

of its reasonably incurred costs as set forth in the attached cost claim, which is commensurate with the scope of the issues, and the role that it took in this proceeding.

Yours very truly,
Shepherd Rubenstein P.C.

Mark Rubenstein
