Dear Ms. Andrey:

**Re: Hydro One Networks Inc.
Renewable Generation Funding
Ontario Energy Board File Number: EB-2023-0291**

This letter is in response to your letter to the Ontario Energy Board dated January 12, 2024, requesting an extension to file the interrogatory responses from January 18, 2024, to February 8, 2024. In that letter, you indicate that while preparing responses to interrogatories, Hydro One Networks Inc. identified issues with the RGCRP model assumptions and the associated account entries, and that Hydro One Networks Inc. is reviewing the details to rectify the issues and ensure that all amounts are accurate prior to submitting its interrogatory responses.

The OEB grants Hydro One Networks Inc.'s request for an extension. Hydro One Networks Inc. shall file responses to interrogatories by February 8, 2024. The application will be paused as of January 18, 2024, and the OEB will resume processing the application once the responses to interrogatories are received.

The dates for other procedural steps in Procedural Order No. 1 will also be extended by 21 days.

Any written submission by OEB staff shall be filed with the OEB and served on all other parties by February 28, 2024.

Hydro One Networks Inc. may file a written reply submission with the OEB by March 14, 2024.

The OEB encourages Hydro One Networks Inc. to contact OEB staff to ensure there is common understanding of the RGCRP model and the information OEB staff has requested in the interrogatories.

Please direct any questions relating to this application to the Case Manager, Narisa Jotiban, at Narisa.Jotiban@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
