Registrar
Ontario Energy Board

Dear Ms. Marconi:

**Re: Notification of Municipal Boundary Change / Request for CPCN
Township of Montague**

The Natural Gas Facilities Handbook (issued March 31, 2022) states the following:

3.6.2 Municipal Changes that do not affect another Person's Certificate Rights

If the boundaries of a person's existing certificate are affected by a municipal amalgamation or annexation, and no other person holds a certificate for any part of the newly amalgamated or annexed municipal territories, then the person should notify the OEB within 90 days of the date that the change takes effect to have the certificate amended to reflect the change. The OEB will not as a matter of course amend the territory covered by the person's existing certificate to include any additional service area that was added to the municipality through the amalgamation or annexation. The certificate would be amended to include the metes and bounds of the person's existing certificate. However, the certificate holder could also apply for a new certificate that would include any additional service area within the newly amalgamated territories.

Ontario Energy Board (OEB) staff later clarified this section of the Natural Gas Facilities Handbook by confirming that if no one else's Certificate of Public Convenience and Necessity (CPCN) rights are affected by the change to a municipal boundary, then notice of the change may be provided to the OEB in a letter. An example of this would be if the incumbent already holds CPCNs for all the affected areas. An application would only be required if the incumbent knows that it stands to gain additional CPCN rights.

The Township of Montague is a lower-tier municipality located in the County of Lanark. Enbridge Gas has a franchise agreement (EB-2017-0301) with and CPCN (FBC 141 dated December 9, 1957 attached as Schedule A) for the Township of Montague. Attached hereto and marked as Schedule B is a map showing the geographical location of the Township of Montague and a customer density representation of Enbridge Gas' current service area.

The initial bylaw approving a franchise agreement with and allowing for the installation of gas distribution pipelines within the Township of Montague was approved in 1957 (Consumers' Gas Company of Toronto). Enbridge Gas currently provides natural gas distribution services to approximately 280 customers within the Township of Montague.

As part of the Ontario government's Natural Gas Expansion Program (NGEP), Enbridge Gas is proposing a project to expand existing distribution infrastructure to provide access to natural gas to additional residents and businesses within the Township of Montague and the Township of Merrickville-Wolford. Pursuant to Ontario Regulation 451/21, a contribution of up to \$2,465,037 will be recovered from the NGEP to offset costs related to this community expansion project. An application requesting leave to construct this project will be submitted to the Ontario Energy Board later in 2024.

After reviewing the Ontario Gazette, Enbridge Gas is aware of the following municipal boundary changes impacting the Township of Montague (attached as Schedules C(1), C(2) and C(3)):

September 1, 1984 - O.Reg. 530/84

- *attached Schedule C(1)*

A portion of the Township of Montague was annexed to the Village of Merrickville.

A portion of the Village of Merrickville was annexed to the Township of Montague.

January 1, 1992 – O.Reg. 769/91

- *attached Schedule C(2)*

A portion of the Township of Montague was annexed to the Town of Smiths Falls.

December 17, 2009 – Ontario Gazette Volume 143-1, January 2, 2010

- *attached Schedule C(3)*

A portion of the Township of Montague was annexed to the Town of Smiths Falls.

Enbridge Gas has a CPCN for the Village of Merrickville-Wolford (RP-2002-0121 / EB-2002-0380) dated October 7, 2002 which was issued after the above noted annexations took place. Enbridge Gas is not aware of any changes to the municipal boundaries of the Village of Merrickville-Wolford since the existing CPCN was issued.

Enbridge Gas has a CPCN for the Town of Smiths Falls (FBC 130) dated December 9, 1957. Given the above noted annexations, Enbridge Gas will submit a request at a later time for a new CPCN for the Town of Smiths Falls.

Given that Enbridge Gas already holds the CPCN rights for all the annexed lands to and from the Township of Montague (through our existing CPCNs for the Township of Montague, the Township of Merrickville-Wolford and the Town of Smiths Falls), there is no change to overall existing CPCN rights held by Enbridge Gas in this area. No other person holds a CPCN for any part of the newly amalgamated or annexed municipal territories.

Enbridge Gas requests that FBC 141 be superseded through the issuing of a new CPCN pursuant to section 8 of the *Municipal Franchises Act* that reflects the municipal boundaries of the Township of Montague as they are currently constituted.

Should you have any questions on this submission, please do not hesitate to contact me.
