Dear Ms. Marconi:

**Re: OEB File No. EB-2023-0195, Toronto Hydro-Electric System Limited
("Toronto Hydro") 2025-2029 Custom Rate Application for Electricity
Distribution Rates and Charges – Technical Conference Schedule Amendment**

We are legal counsel to Toronto Hydro with respect to the above noted matter.

At the Issues Conference held on January 22, 2023, Toronto Hydro explored with OEB staff and Intervenor the possibility of rescheduling the Technical Conference. All parties agreed to request that the OEB change the scheduled Technical Conference dates set out in Procedural Order No. 1 to April 8 to April 12, 2023.¹ To ensure that the remainder of the schedule is not impacted, Toronto Hydro would prioritize all Technical Conference undertaking responses relevant to either OEB staff or Intervenor evidence and file the same on April 18 to ensure that the scheduled filing date for OEB staff or intervenor evidence is unaffected. Any undertaking unrelated to OEB staff or Intervenor evidence would be filed no later than April 22, 2023.

In light of the forgoing, Toronto Hydro requests that the OEB amend Procedural Order No. 1 to account for the above schedule changes.

Yours truly,

Charles Keizer
