We are solicitors for Tom and Loretta Rocca who reside at 6025 Blackwell Sideroad, Sarnia, Ontario. The property is adjacent to the proposed storage and well area. Mr. and Mrs. Rocca are interested in obtaining more information with respect to the dangers associated with the pool and they are also concerned about the possible ramifications of the proposal concerning marketability and value of their property.

We are therefore requesting observer status to receive documents by the Board in the proceedings. We would very much appreciate information pertaining to the effect of this proposal on adjoining land owners and homeowners.

Yours truly,

George Murray Shipley Bell LLP
