LETTER OF DIRECTION

Dear Mr. Vetsis:

**Re: Elexicon Energy Inc. (Elexicon Energy)
2024 Distribution Rate Application
Ontario Energy Board File Number: EB-2023-0014 (Phase II)**

The Ontario Energy Board (OEB) has now issued its Notice of Hearing for Phase II of Elexicon Energy's 2024 Distribution Rate Application (Notice). Please note that you must comply with the directions in paragraphs 1 and 2 below by **January 19, 2024**. If you are unable to comply with the directions within this timeframe, you must inform the Registrar immediately at registrar@oeb.ca.

You are directed:

1. To immediately post the Notice, the application and the evidence, and any amendments thereto, on Elexicon Energy's website.
2. To arrange for the service of the enclosed Notice, the application, and the evidence, directly on all intervenors of record in Elexicon Energy's previous applications, EB-2022-0024 and EB-2018-0236.
3. To file with the OEB an affidavit proving completion of the matters in paragraphs 1 and 2 above immediately thereafter.
4. To provide a copy of the Notice, the application and the evidence, and any amendments thereto, to anyone requesting the material.

You are further directed not to include any documents or materials when serving the Notice other than documents or materials expressly required by this letter of direction to be served.

Yours truly,

Nancy Marconi
Registrar

Encl.

FORM OF NOTICE – WEBSITE

The screenshot shows the top navigation bar of the Elexicon Energy website. The logo is on the left, followed by a search bar with the text "How can we help?". To the right are links for "About Elexicon", "Regulatory", "Newsroom", and "Contact Us", along with accessibility icons. Below the navigation bar is a secondary bar with "Home", "Business", and "Contractors & Developers" links, and buttons for "Outage Map", "Log In", and "Create Account". The main content area has a header image with the word "Regulatory" in white. Below this is a breadcrumb trail "Home > Regulatory". The main text explains that Elexicon Energy is regulated by the Ontario Energy Board (OEB) and provides information about rate applications and regulatory activities. A button labeled "Elexicon Energy Inc.'s Distribution Licence" is at the bottom of the main text block.

Regulatory

Home > Regulatory

As a Local Distribution Company, Elexicon Energy is regulated by the [Ontario Energy Board](#) (OEB), a crown corporation that is responsible for overseeing the Province's electricity and natural gas sectors and all of its participants.

Elexicon Energy's rate applications must be approved through a complex hearing process by the OEB. The OEB is also responsible for setting the prices for Regulated Price Plan electricity rates and approves the rates charged for distribution/delivery and transmission.

It is our responsibility to inform you about our regulatory activities with the OEB. This page contains important information on filings, regulatory proceedings and other matters relating to Elexicon and its regulator.

Good afternoon,

The OEB issued a decision and rate order on December 14, 2023 regarding the distribution rates for Elexicon Energy Inc. ("Elexicon"). In its decision, the OEB found that the determination of the reasonableness of Elexicon's proposal on the Earnings Share Mechanism will be deferred to a second phase of the proceeding (EB-2023-0014).

On January 17, 2023, the OEB issued the Notice of Hearing along with the Letter of Direction for the second phase of this proceeding.

Per the OEB's direction, you are receiving notice as you are listed as an intervenor in Elexicon's prior proceedings (EB-2022-0024, and EB-2018-0236).

As such, attached please find the OEB's decision and rate order, and the Notice of Hearing along with Elexicon's application as filed with the OEB.

The OEB's Notice of Hearing provides information on how to become informed and involved in the proceeding.

Regards,

Erin Stevens
